

Acknowledgement of Vendor Compliance Manual Revision 1.0

Vendor Name: _____

Advance Shipment Notice (ASN)

- All shipments (Domestic and Import) require an Advance Shipment Notice. **Please use the ASN form that is to be downloaded from www.ccsinc.com and email to our warehouse as instructed. ASNs must be sent by EDI, Vendor Net or emailed through the New ASN Creator the same day the shipment leaves.**
- Your ASN must be 100% accurate and match the P.O.
- Only 1 ASN per container. One ASN may not be spread over multiple containers.

UCC-128 Case Labels

- Individual case label must be affixed to each shipped case.
- The UCC-128 case label must be placed on the leading face of the case.

Case Contents

- Case must contain only 1 SKU.
- Each item **MUST** be individually labeled with a product label with the Improvements or Alsto's SKU number and description.

Conveyable Case Boxes

- All cases must be conveyable unless size of item is outside conveyable range.
- All smaller cases must be master-packed in a conveyable master case.
- No straps on conveyable cases.

Transportation

- Freight shipments must be shipped terms "collect."
- UPS shipments must use terms, Collect Billing and use our account number. (See Routing Guide.)
- Correct carriers must be used for shipping point/merchandise type.
- Overweight shipment must call Routing Department for specific instructions.
- Shipments must follow authorized weight, cube, and cartons.
- No unauthorized air shipment.
- Vendor must consolidate same day/destination shipments.
- Merchandise cannot be consigned to the wrong location.
- Carton count and purchase order numbers must be present on Bill of Lading and match ASN.

It is hereby acknowledged that the undersigned agree to comply with the requirements as outlined in the Improvements & Alsto's Catalog Vendor Compliance Manual. If purchase orders are shipped in any manner not in compliance with the Improvements & Alsto's Catalog Manual, the vendor will be responsible for all expenses incurred by Improvements & Alsto's Catalog as a result of the non-compliance issue.
